

```
cv::gpu::device::saturate  
_cast< ushort >
```

A diagram illustrating a function specialization or mapping. On the left, a gray rectangular box contains the text 'cv::gpu::device::saturate' followed by '_cast< ushort >' on the next line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'cv::gpu::device::saturate_cast'.

```
cv::gpu::device::saturate_cast
```
