

libconfig::Setting
::getLength

```
graph LR; A["libconfig::Setting::getLength"] --> B["config_setting_length"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'libconfig::Setting' on the top line and '::getLength' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'config_setting_length'.
