

cvflann::LshIndex::
saveIndex

```
graph LR; A["cvflann::LshIndex::  
saveIndex"] --> B["cvflann::save_value"]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'cvflann::LshIndex::saveIndex'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'cvflann::save_value'.

cvflann::save_value
