

cvflann::NNIndex::loadIndex

```
graph RL; A[cvflann::load_saved_index] --> B[cvflann::NNIndex::loadIndex];
```

A diagram showing a call from `cvflann::load_saved_index` to `cvflann::NNIndex::loadIndex`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.

cvflann::load_saved
